Reach declaration - Xealpro

Dear Sir or Madam,

Novatech is directly affected by the REACH Regulation (EC) No. 1907/2006 and CLP Regulation (EC) No. 1272/2008.

We confirm that according to our current information, above mentioned products, supplied to you do comply with REACH and CLP requirements. To this end, we follow up on:

- **The substances contained in our products**
- **The Candidate List** (<https://echa.europa.eu/candidate-list-table>) **and Annex XIV** (List of Substances Subject to Authorization).
- **Annex XVII** (Restrictions on the manufacture, placing on the market and use of certain dangerous substances, mixtures and articles).
- **New relevant information.** Our downstream users are asked to communicate uses to us not mentioned on the SDS as well as new information on hazards or inappropriate risk management measures in the SDS. This information must be immediately communicated further upstream in order to integrate relevant safety information in the registration dossier and the SDS.
- **The safety data sheets.** SDS's will be updated in due time according to Annex II of REACH and all its amendments.
- **Classification and labeling.** The content of the SDS's and the labels will be updated in due time according to CLP Regulation (EC) No. 1272/2008 and its ATP's.

We hope this information explains clearly how Novatio approaches REACH and CLP and that it reassures you that we will be able to continue the supply, in compliance with these regulations.

Best regards,
