It is important that the information given here is correct, and we strongly encourage  
thoroughness in researching the extent to which emission testing and/or test reports show that  
the product complies with the standards and emission limit values required by BREEAM-NOR  
2016. If in doubt, the manufacturer should consult own internal and external experts. **Providing  
incorrect and misleading information can have legal consequences. Once filled-out, the form  
must be signed by a legally responsible person for the manufacturer, such as a technical  
director or a managing director.**
