ROST FLASH PRO

Technical Data Sheet

Product name: Rost Flash Pro Creation date: 8/2016 Version:

Sales code: 32720

1: General description

Freezes and cracks rust!

- I. Rust layer on a bolt.
- 2. When sprayed, the rust cools down by 40°C and cracks, leaving small fissures.
- 3. Penetration of the active liquids.
- 4. Blocked parts are separated easily.

Rost Flash Pro loosens all kind of threaded parts, hinges and sliding parts. Rost Flash Pro is free of silicones and acids.

2: Features

- Cracks the layer of rust and dirt using thermal shock (reduces temperature by 40°C).
- Loosens metal parts seized by dirt, corrosion or dried-up grease.
- Penetrates quickly.
- Does not contain silicones.
- Safe on all metal surfaces, does not stain.
- Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use.
- Convenient 360° (including inverted position) spray valve for aerosols.

3: Applications

- Cleaning mechanical parts.
- Handling equipment.
- Seized and corroded parts.
- Agricultural equipment.
- General disassembly.

4: Directions

- Remove most of the loose dirt with a wire brush.
- Spray liberally and allow to run off.
- Use extension tube for more precise application.
- Spray from a short distance.
- Allow a few minutes for good penetration.
- Repeat if necessary.
- To remove residues or excess product, use CRC Power Clean Pro.
- A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

5: Typical product data (without propellant)

Appearance : LiquidColor : amber

Odour : Characteristic odor
Density : 0.74 g/cm3 (@ 20°C)

• Flash Point : < 0 °C

Operating temperature active product
Horizontal spread active product
: temp. drop -40 °C
: 19 (after I20 s) cm²

6: Packaging

Aerosol I2x500 ML

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.
