

Norton Clipper Core Bits for Universal Building Materials

Core bit 52/45mm x150mm /1/2 " F Norton Clipper STANDARD CB UNIVERSAL

Artical Number: 70184633383

EAN: 5450248837930

SizeDerived: 52/45mm x150mm /1/2 " F

Description

Standard CB Universal is a complete range of core bits for dry drilling in masonry. Their laser welded segments ensure performance and make this range perfect for plumbers, electricians, heating engineers and many other craftsmen. The core bits are available separately or in suitcases including several diameters, a pilot drill and adaptors (HEX and SDS).

Features & Benefits

Laser welded segments ensure optimal performance

Optimised for the best balance between drilling speed, product life and comfort

The 1/2" femelle connexion allows to mount several kind of adaptors to fit your drilling motor

A core bit length of 150mm ensures reduced weight and comfort of use.
