

Masking Tapes
Paint & Decorator

Description

Norton Masking Tapes are designed for general purpose to professional applications on a wide range of materials, providing the best results, ease of use and versatility.

Features

Crepe paper backing

Versatile on various surfaces
Easy to remove

Easily torn by hand.

Rubber adhesive

Benefits

Makes the tape conformable to maintain integrity when formed around a corner.

Suitable for smooth and semi-smooth surfaces.

The tape does not break when peeling off, therefore provides quick and efficient removal.

Effortlessly make any length adjustment to suit your applications.

Provides instant adhesion that sticks to a wide variety of surfaces and reduces time and effort needed to run down.

Application Data

Typical Applications : General Purpose, Drywall, Glass, Aluminum, Steel, Water & Oil Based Paints
