Obs: Tilkobling av 230-240 V strømkabel til fordelingsboks skal kun utføres av godkjent elektriker. Strømforsyningen skal være slått av under tilkoblingen! Speilskapet plasseres i henhold til nasjonale forskrifter/soneinndeling.
Husk at strømtilførsel på baderom alltid skal ha påkoblet jordfeilbryter med utløsestrøm på 30mA, i henhold til NEK 400.
